

Office of the Governor-General
of the Philippine Islands

Manila, January 22, 1929.

Sir:

There is inclosed herewith, for your information, a copy of self-explanatory correspondence regarding the coming visit in the Philippine Islands of a party of astronomers from the Russian Observatory at Pulkovo for the purpose of observing the total solar eclipse which will occur in the Philippine Islands on May 9, 1929.

Very respectfully,

Richard R. Ely
RICHARD R. ELY,
Assistant Secretary
to the Governor-General.

The Director,
Weather Bureau,
(Through the Honorable, the
Secretary of Agriculture and
Natural Resources.)
Manila.

Incl.
Ely

1st Indorsement

To the Director, Weather Bureau
