WEATHER BUREAU

STATION AT

Tarlac

Tarlac, Aug. 16, 1927

The Director of Weather Bureau,
Observatory, Manila

Sir

In reply to your letter of July 22,
1927, I have the following to say viz:-

1. Lightning does not fall very often in this
province.

2. I could not give statistics of persons
killed by lightning either from this town
or from any other towns of this province,
but I could cite as many as what infor-
mation has reached me.

The wife of Mariano Reyes of barrio San
Rafael, Tarlac, Tarlac, was struck and
died instantly while bathing. - Two at
San Rafael, Tarlac, Tarlac, mother and
son, while working in the fields were
struck and both died. - Four persons
gathered around a table of Cuajo, in the
R.R. station at Murcia, Tarlac, were
