My dear Sir,

I was very pleased to receive your letter of February 8th informing me that the Honorable Provincial Governor and the Superintendent of the Schools of Iloilo have kindly offered to the Navy Eclipse party the use of the buildings and grounds of the Iloilo Normal School. I have conveyed this information to the Commander in Chief, who has requested me to thank you for your valuable service in obtaining the use of these buildings and grounds as well as those of the Philippine Railway Company.

On our recent visit to Iloilo, the Commander in Chief also took advantage of the opportunity, and thanked Governor Arroyo in person for his kindness.

Very sincerely yours,
