Sir:

In accordance with your verbal request of some days ago, I am enclosing list by provinces of the number of persons killed by lightning in the Philippine Islands from 1904 to December 31, 1923, inclusive. We have nothing of record to show the number of persons killed by lightning during the years 1901 to 1903 inclusive. Hoping that the information furnished will serve the purpose for which it is intended.

Very respectfully,
