Dear Father Selga:

I am in receipt of your letter of the 9th instant, in which you offer the use of building and grounds of the Iloilo Normal School by the Navy Eclipse Expedition.

Your offer is very much appreciated, but it cannot be accepted until Commander Keppler, in charge of the expedition, completes his survey of the various sites in the vicinity of Iloilo.

Very sincerely,

W. D. MacDOUGALL
Rear-Admiral, U.S. Navy,
COMMANDANT

Father Miguel Selga,
Director, Weather Bureau,
Manila, P. I.
