Dr. H. T. Stetson
Passenger on President Wilson
c/o Dallar Line
Hongkong, China

Dear Dr. Stetson:

By mistake we thought at the beginning that you would arrive at Manila by the end of March. The President of the University had made arrangements for your lecture. It is clear now that your arrival will be around April 23rd. By this time I will be down in Iloilo preparing for the eclipse, and helping the Naval Observatory party and Dr. Waterfield party from Baltimore. I regret very much not to have the pleasure to see you again. The plan of your lecture is surely to be cancelled, as the students are now on vacation.

Wishing you success in your observation, I remain,

Sincerely yours,

MIGUEL SELGA
Director, Weather Bureau.
