

Rufino J. Cardinal Santos blesses the cornerstone before it is hoisted on a pulley-guided rope and cemented in place at the proposed site of the Manila Observatory at the Lolya Heights campus, Quezon City. Behind the Cardinal are those who assisted him yesterday at the ceremony. They are Rev. Francis N. Glover, S.J., Msgr. Jose N. Jovellanos, Very Rev. Francisco Araneta, president of the University of the Ateneo de Manila, Very Rev. Francis X. Clark, S.J. Provincial, Rev. James J. Hennessey, director of the Manila Observatory, Rev. Bernard F. Doucette, Rev. Richard A. Miller, and Fr. Benjamin Mariño.
