

Office of the Governor-General
of the Philippine Islands

Baguio, April 22, 1929.

Dear Mr. Franks:

Please write Father Selga who, I think, is now in Iloilo and ask him the date and hour of the eclipse and the most advantageous point for witnessing it. You can say to him that I expect to be in Iloilo at the time of the eclipse.

Yours truly,

Edgerton

Mr. C. W. Franks,
