Rev. F. Director  
Manila, P. I.

Respectable F. Director:

I have the honor to inform you that yesterday (2/2/41 Sunday) at 7:00 o'clock in the evening a star or comet of ordinary size and light has been seen by me and the many people in this locality at the southwestern quadrants. It lasted only one hour, as at 8:00 o'clock it disappeared. I doubt ~~and~~ to whether this is the Cunningham Comet which has been seen in Naga Camarines Sur, said the papers.

It is all I can inform you at present in this particular.

Very respectfully,

  
DOLOFITO CONTRERAS,  
Observer.
