61 BROADWAY

May 11, 1942.

Weather Bureau  
Manila, P. I.

Gentlemen:

Attention of Rev. Selga

We will appreciate it if you would be good enough to send us thru the bearer a report on the occurrence, frequency and duration of lightning storms in Central Luzon, particularly in Greater Manila.

Sincerely yours,

*K. Honda*

K. HONDA  
Supt. of Power Plant.
