

UNIVERSITY OF THE PHILIPPINES
COLLEGE OF ENGINEERING
MANILA

Office of the Dean

February 21st, 1929.

Dear Father Selga:

I enclose copies of letters I have written to the President of the University and to a former student, Mr. Jose Chavarria who is now Assistant District Engineer at Cebu. I hope Mr. Chavarria will volunteer his assistance as I think he can be of considerable help.

Very truly yours,

Edward R. Hyde
