The Director  
Weather Bureau  
Manila, P. I.

S i r :

I have the honor to acknowledge receipt of the phamplet on the Philippine Climate prepared by that Bureau for which I have to thank you.

With reference to the informations you need the following data which I was able to search from the records of the office of the Provincial Governor are given below:

1. There was no record on file about lightning striking buildings.
2. None recorded this year, altho there were about 5 persons killed by lightning during the previous years.
3. None was ever struck by lightning.
4. Mostly carabaos, horses very seldom.
5. Beginning of the rainy season. Months of May, June and July.
6. None.

Very respectfully,

*Felino F. Borja*
